Thank you! How would I find the documents that are referenced as attachments to a comment?

Here they are. You can search by commenter's name.

Hi Valois -

At long last I'm trying to assemble the draft NHPA responses to comments, along with some responses on cultural resources. Your grouped comments summary is enormously helpful.

Do you know where I can find the original comments? I'd like to look at a few of them, in particular (so far) the ones from Defenders of the Black Hills and from Ex. 6 Personal Privacy (PP) which references attached documents.)
